

Corporate Social Responsibility (CSR) Policy

PURPOSE

Indo Tech Transformers Limited (“Indo Tech” or “Company”) is committed to operate and grow its business in a socially and environmentally responsible manner & contribute to transform the quality of life in all its Areas of Business Operations. We believe that only through our actions as Responsible Corporate that we become worthy of respect of all the stakeholders and earn our true License to Operate from our local communities.

Objective of this CSR Policy is to lay down guidelines for Indo Tech and to make CSR integral part of its business operations and resource development endeavours.

This policy will cover current as well as proposed CSR programmes to be undertaken by the Company and will be aligned with Schedule VII of the Companies Act, 2013 ('the Act').

POLICY

Indo Tech's Corporate Social Responsibility Policy will focus on the following 5 (Five) broad themes with the objective to improve overall socio-economic indicators in Company's Area of Business Operations which

1. Proactively develop trusting and productive relationships with local communities through effective consultations

- Positively engage with relevant stakeholders, understand their concerns and be responsive to their needs.
- Use & encourage systematic processes to engage with the local stakeholders.
- Actively involve stakeholders and programme participants in designing and implementing CSR programmes

2. Promoting education and promotion of Livelihood Opportunities etc.,

- Promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly, and the differently abled and livelihood enhancement projects
- Rural, semi-urban and urban area development through a livelihoods approach
- Promoting gender equality and women empowerment

3. Ensuring environmental sustainability, Community Development and Social Infrastructure

- Environmental sustainability through renewable energy promotion, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining quality of soil, air and water;
- Access to energy solutions for street lighting, anganwadis, panchayat buildings, schools and other local community facilities.
- Eradicating hunger, poverty and malnutrition, promoting preventive healthcare, sanitation and access to safe drinking water

4. Respect local customs and traditions and leverage technology in all CSR programmes

- Valuing cultural customs and respecting pride of individuals to nurture positive relationship
- Aligning CSR programmes to build on existing capacities to create greatest possible impact.
- Giving skill and vendor development opportunities to local communities in consultation with local government authorities and other stakeholders, as may be appropriate.

5. Treat local communities as valued partners in our resource development endeavours

- Valuing local entrepreneurship and encouraging use of local goods, services and manpower to contribute local economic development
- Establishing essential and strengthening existing rural infrastructure
- Enabling CSR programs to complement and support the developmental priorities at District & State Level
- Supporting relief and rehabilitation measure to provide relief to local community during natural calamities and contribute to appropriate National or State Relief & Disaster Management Funds.

The Company may also undertake other need-based initiatives in compliance with Schedule VII of the Companies Act, 2013.

IMPLEMENTATION STRATEGY

- Company will undertake the CSR activities by itself and when appropriate, through an eligible implementing entity as prescribed in the Act and the Rules made thereunder.
- Company may also collaborate with other companies, especially with its JV Partners and or with Government Bodies to implement CSR programs. It will do so in such a manner that the CSR committees of respective companies are in a position to report separately on such programmes.

GOVERNANCE

CSR Committee

CSR implementation shall be periodically reviewed and monitored by the duly constituted CSR Committee of the Board as per the requirements of Section 135 of the Companies Act, 2013.

The CSR Committee will be responsible for:

- To formulate and recommend to the Board a CSR policy, indicating the activities to be undertaken by the Company;
- Formulation and recommendation to the Board, an annual action plan in pursuance of its CSR policy
- To review and recommend the amount of expenditure to be incurred on the activities to be undertaken by the company;
- Monitoring the CSR Policy and implementation of the activities from time to time; and
- Monitoring the spends on CSR activities by the Company in each financial year.

In discharge of CSR functions of the Company, the CSR Committee shall be directly responsible to the Board for any act that may be required to be done by the CSR Committee in furtherance of its statutory obligations, or as required by the Board.
